

TRAVERSE CITY LIGHT & POWER

Residential Energy Efficiency Program

2017 Incentive Application

Ready to start your project? Follow these 3 simple steps.

Step #1: Make Sure Your Project is Eligible

Check the specifications listed in this application and/or speak with an Energy Smart advisor by calling **877-NRG-SAV1** (877-674-7281) to make sure your project is eligible for Energy Smart incentives. All equipment must be new and installed or operated in a residential dwelling, whose electric service is provided by Traverse City Light & Power.

Step #2: Complete Your Project

Install your new, energy-efficient equipment, following the specifications listed in this application.

Step #3: Apply for Your Cash Incentive

Once your project is complete, it's time to request your cash incentive. You must submit:

1. A completed and signed application
2. Itemized invoice(s) for contractor-installed equipment, including installation date, costs for equipment installed and installation labor
3. For furnace and central air conditioning units, the AHRI certificate
4. For ENERGY STAR® products/equipment, the ENERGY STAR® logo and a copy of invoice/receipt
5. For all other items just send in a copy of the invoice/receipt

Your completed application and the required materials listed above must be received by December 31, 2017.

Limited funds are available. Please allow 6-8 weeks to receive your Energy Smart incentive check from the time your completed application is received.

Please submit your documents one of three ways:

GENERAL PROGRAM RULES

This offer is valid only for Traverse City Light & Power residential electric customers for a limited time. Offer is good while funds are available, on a first-come, first-served basis. Program begins January 1, 2017 and expires December 31, 2017. Traverse City Light & Power reserves the right to withdraw or change this offer without notice. Incentives may not exceed purchase price. Ineligible incentive requests are subject to denial or repayment to program. Incentive requests must be received by December 31, 2017. Call 877-NRG-SAV1 (877-674-7281) for more information.

EQUIPMENT SPECIFICATIONS

Central Air Conditioning: AHRI Certificate required to verify efficiency. SEER 15, 16, or 17 required.

Furnace: AFUE \geq 95%. Condensing furnaces must have a sealed combustion unit. Air handlers must have ECM motor to be eligible for the incentive. AHRI Certificate required to verify efficiency. Chimney liners must be installed where a high efficiency natural gas furnace replaces atmospherically drafter equipment that was vented through the same flue as a gas water heater. Flue closure protocol must be used when a high efficiency furnace is installed and the chimney is no longer in use. Incentives are limited to current furnace capacity.

ENERGY STAR® Room/Window AC Unit, Dehumidifier, Refrigerator, Freezer, LED Lamp, TV, Monitor, Dishwasher and Personal Computer Products: To verify purchase, please send in a copy of the receipt with the product model numbers on it. Limit of 40 LED lamp incentives per customer.

ENERGY STAR® Heat Pump Water Heater: To verify purchase, please send in a copy of the receipt with the product model numbers on it. Limit 1 incentive per customer.

Electric Water Heater: Must replace an existing electric water heater and have an Energy Factor (EF) \geq .93.

Electric Clothes Dryer: Must replace a standard efficiency electric clothes dryer. New unit must be high efficiency and contain a moisture sensor.

Programmable Thermostat: Must replace a non-programmable thermostat and be capable of maintaining two (2) separate programs and up to four (4) temperature settings for each program to address the different comfort needs of weekdays and weekends.

Intelligent Surge Protectors: Does not require ENERGY STAR® qualification. The Intelligent Surge Protector must be new and have one or more outlets that have integrated automatic (controlled) shut-off, when connected equipment is not being used (automatic control used to save energy). A copy of the receipt from the store where the intelligent surge protector was purchased is required. Limit 4 rebates per customer.
